Dear [REDACTED]

Thank you for reaching out with your request! We appreciate your interest, and we want to let you know that your request has been carefully considered in accordance with the Environmental Information Regulations (EIR).

Please see attached the validated spill data for Baycliffe Wastewater Pumping Station (WwPS) storm overflow, Newbiggin Wastewater Treatment Works (WwTW) storm overflow, and Gleason Castle combined sewer overflow (CSO), which dates from 4th December 2021 to 21st September 2024. Please note, the data is also available on our website, through this link: [Storm overflow performance | United Utilities](#)

We hope that this response answers your request. However, if you're not satisfied with how we've handled it, you can request an internal review. To do this, please write to us at Environmental Information Office, Haweswater House, Lingley Mere, Warrington, WA5 3LP or email us at EIRRequests@uuplc.co.uk, addressing your request to [REDACTED], and explaining why you're unhappy with our response. We'll be very happy to review your request and ensure we've done everything we can to assist you.

Any request for an internal review should be made within 40 working days of receipt of this response, and we will reply within 40 working days from receipt of the request for internal review.

Many thanks
EIR Team

We'd love to hear your feedback on how we handled your request! If you have a moment, please complete our short survey [here](#) – your input helps us improve our service.
