Dear [REDACTED],

EIR Reference: EIR/ID/323

Thank you for reaching out with your request! We appreciate your interest, and we want to let you know that your request has been carefully considered in accordance with the Environmental Information Regulations (EIR).

Would you please be able to provide any information on requests made by Stockport Council or any other body for funding towards schemes which support improving drainage around Woodbank Park, SK1. This may be as part of the Green Recovery Fund or similar. – After liaising with the wider business, I have found that there were no applications made for the Green Recovery fund for improving drainage at Woodbank Park, SK1.

*Would it also be possible to let me know the closing dates for any recent (2024 - now) funding schemes that involved sustainable urban drainage. - **Green Recovery has been open to applications all through 2024 to present. Under the funding guidance, schemes must be delivered by 31/03/2025 and therefore this is now closed.***
