

Pensions Geeks: New video on finding lost pensions and combining them

One of the most common pensions questions we are asked is about how you can find lost pensions and combine them.

We're pleased to share a video that explains **Pension Consolidation** (the process of combining multiple pension schemes or pots into one) in a simple and engaging way. The video is hosted by Pensions Geeks in conjunction with Aegon and was filmed as part of September's Pension Awareness Week.

What's in the Video?

- A plain-English overview of pension consolidation
- How to locate lost pensions pots
- The pros and cons of consolidating multiple pension pots
- Where to get more help
